

MOVING FROM WINDOWS *to* LINUX

- Takes the user from Windows to Linux step by step, with a friendly conversational style
- Examples side-by-side comparisons allow the user to see how to accomplish tasks in Windows and how to accomplish the same goal in Linux
- Takes the Windows user through every step through the transition to Linux
- Explains how to accomplish all of your work using the office and the web using both Windows and Linux
- Includes the reader about all aspects of Linux, and how to get up, running and making their system
